Chris Coville, President of Paddocks Plus Fencing & Stabling Inc. is pleased to announce the acquisition of Johnston Cedar Post. Until the recent purchase Debra Shaw (formerly Johnston) operated the 50-year-old family business providing cedar post and rail fencing to the US and the local equestrian industry.

"We wish Chris all the best with Paddocks Plus, his innovative ideas and vision for property planning will make a significant contribution to the equestrian community" says, Ralph Shaw, President of the Kubota Capital Classic Show Jumping Tournament. "We are happy to continue the Johnston family tradition and look forward to serving the Ontario and Quebec equestrian community" says Coville.

About Paddocks Plus:

Owned by Chris Coville and located in Carleton Place, Ontario Paddocks Plus Fencing & Stabling is the largest manufacturer of quality wooden fencing and shelters in Ontario and Quebec. Specializing in equestrian property planning through fencing, gates and shelters, Paddocks Plus creates fencing and shelters for clients who live the equestrian way of life.
